1 Trace and cut template

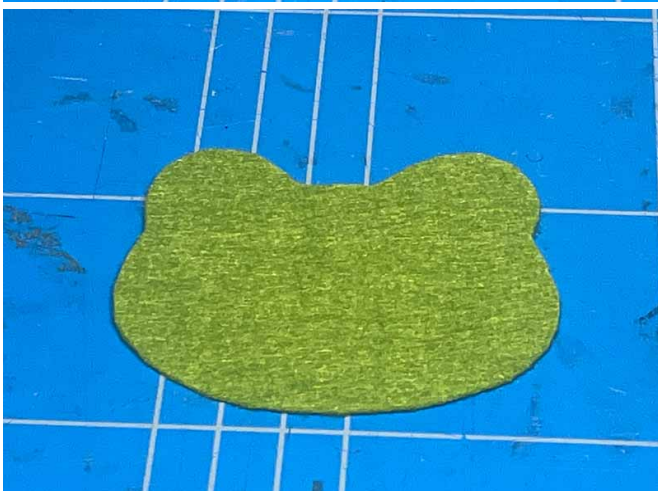

- If you have a laser cutter you can cut the template from plastic; it will then be reusable more often.

- Print the template.
- Cut out the template.

2 Trace and cut felt

- Trace the template onto green felt.
- Cut out the felt.

3 Sew the mouth

- Use the sewing machine to make the mouth.
- Use a wide zig-zag stitch with length 0 for the corners of the mouth.

4 Punch eyes

- Use the hole punch to punch out the eyes.

5 Sew eyes

- Sew the eyes into place.

6 Finished

- Your frog emblem is ready!
