

Heart emblem

duration: 10 - 20 minutes
age: from 7 years

Make a heart emblem.

undefined

tools

- ☐ Scissors
- ☐ Pen
- ☐ Sewing machine
- ☐ Printer / laser cutter

materials

- ☐ Felt (red, white, yellow)
- ☐ paper or plastic for the template

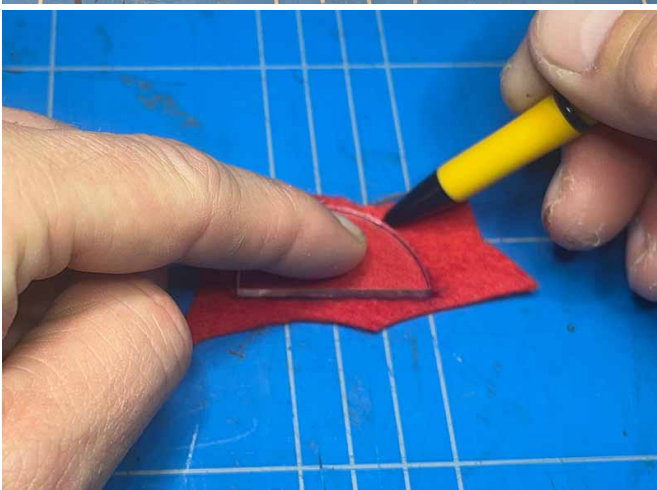

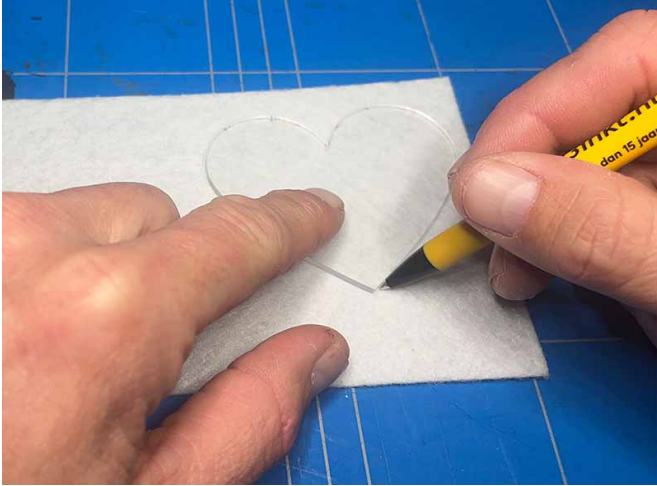

1 Cut the template

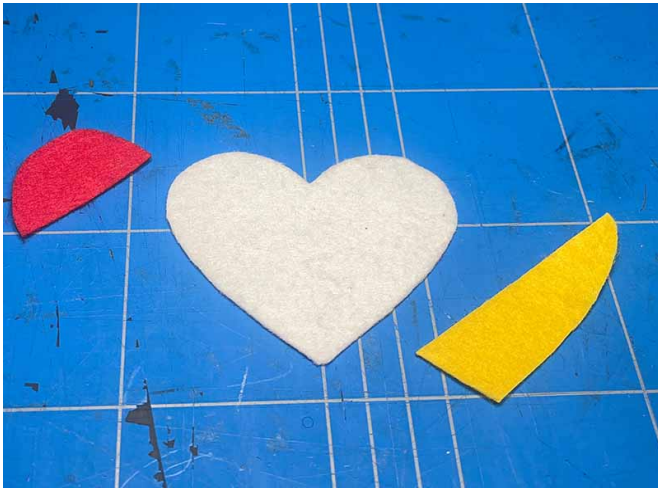

- If you have a laser cutter you can cut the template from plastic; it will then be reusable more often.

-
- Print the template.
 - Cut out the template.

2 Trace

- Trace the entire heart onto white felt.
- Trace the lower part onto yellow felt.
- Trace the upper part onto red felt.

3 Cut out

- Cut out the felt pieces.

4 Sewing

- Use red thread to sew the red part in place.
- Use yellow thread to sew the yellow part in place.

5 Finished

- Take your patch home and sew it onto your carnival jacket.
